What is Global Missions?

Global Missions giving is a biblical method used by the Church of the Nazarene to raise financial support for world evangelization. Formerly known as a "Faith Promise", it is indeed a promise made in faith between you and God. That promise is based on what you believe God wants you to give to ministries beyond those of our local church. Global Mission giving is money given over and above your tithe, and the amount can be given either weekly, bi-weekly, monthly, or annually.

What does my giving support?

Here is a brief summary of what your Global Mission offering supports through the World Evangelism Fund as the Church of the Nazarene works in 164 world areas.
