

## THERE ARE SO MANY WAYS TO SUPPORT THE KIDS IN KENYA!

### **Sponsor a child for \$45 or \$30/month.**

Today, you can select a child to sponsor.

Bring the child profile to the table in the church lobby to learn the next steps.

Kenya's Kids is caring for children in three different locations in Kenya.

Mbooni Children's Home. Over 100 children, ranging in age from pre-school to university, call Mbooni Children's Home their home. Sponsors are encouraged to write to their child. Many have even visited the Home! (\$45/month)

Ngelani. Ngelani is a very poor community a few miles from Mbooni Children's Home. These children continue to live with their families, while Kenya's Kids helps with school fees, uniforms, health care, and supplemental nutrition. (\$30/month)

Kathonzwi Children's Home. There are currently 16 older children at the Home, but there is a waiting list of over 100 children needing a good, safe place to live. As Kenya's Kids gets sponsors, needy children will be admitted to the Home. (\$45/month)

**Education Fund** – any amount is appreciated.

Give/Offering: Kenya's Kids Education Fund

Every grade 8 and grade 12 student in Kenya takes the Kenya National Exam. The results determine which kids can continue on to high school and university.

Your gift to the Education Fund will help all qualified students go to the high school or technical school where they are most likely to succeed.

We currently have five students in various universities in Kenya. This is such a huge achievement for these young men and women who were rescued out of extreme poverty to the care of the Children's Home. Kenya's Kids maintains the Education Fund in hopes that university tuition will be available for any Kenya's Kids child who qualifies and dreams of a university education.

**Capital Projects** – Your contributions will make it happen!

Boys' dormitory - Mbooni Children's Home needs a new boys' dormitory. The architectural plans are complete, the estimates are in, and the project is on hold until \$60,000 is raised.

Give/Offering: Kenya's Kids General Fund

If you are not inclined to sponsor a specific child, you may want to support all the children by contributing to the General Fund. This fund pays the cooks, the dorm parents, the manager, the tutors. It buys hay for the cows and pays the electric bill.
